The Toss.

At the beginning of a game, choice of ends and kick-off is decided by the toss of a coin. The team winning the toss has the option of choosing ends, or taking the kick-off.

Some decisions are just too important to leave to the luck of the toss. Like your choice of a portable radio cassette recorder. In any store you'll see many brands, at many prices. Don't trust your luck—trust your judgement and compare them on performance and value. Chances are you'll choose Philips.
